Pictured. 16' x 8' 2294 white door; 9' x 8' 2294 white door

8' x 7' 2296 white with optional plain glass

MODEL 2294 Long Panel, Insulated

MODEL 2296 Combination Panel, Insulated

MODEL 2298 Short, Insulated

- 2" thick door exterior sections are formed from 25-gauge galvanized draw quality steel and the interior is 27-gauge steel
- Aluminum overlays come pre-finished the same color as the door and are wood grain embossed
- Extra heavy paint system² in your choice of white, almond or sandstone
- Optional glass is available in clear glassglue chip pattern
- Custom coated designed springs for smooth operation and easy lifting
- High-density CFC³ free polyurethane injected core
- Section joints are roll-formed into a tongue-and-groove design which produces a superior weather seal
- Optional Endurance and Appearance Package³ upgrades available
- Bottom weather seal utilizes an aluminum retainer and extruded virgin vinyl
- Long-lasting durable rollers assure consistent, efficient operation
- R-value: 12.35

For additional information, please see numbered footnotes on backside.

They may look like wood, but these models are actually all-metal, maintenance-free insulated doors. The front and back skins are made with a pre-finished, wood grain embossed steel and the cores are filled with high density CFC⁵ free polyurethane for optimum weather protection. An all-metal exterior is used on both the panels as well as the overlays to ensure years of worry free maintenance.

C.H.I. Overhead Doors are manufactured in Arthur, Illinois, USA.

C.H.I. Overhead Doors is pleased to use DOW[®] insulation products in our urthane core garage doors.

All information presented is based on the specifications and features available at the time of printing and is subject to change without notice.

FOOTNOTES

1. R-value testing is in accordance with ASTM C518 standards. **2.** Extra heavy paint system consists of .25 mil. primer with rust inhibitor and a .75 mil. coating of baked-on polyester paint. **3.** Endurance and Appearance Packages are standard white, custom colors are available at an extra charge. **4.** All designer lites are either transparent or semi-transparent. For all available window options, please see our Glass Option Brochure, or visit your C.H.I. Overhead Doors Distributor. **5.** Refer to samples at your local C.H.I. Overhead Doors Distributor for exact color match. **6.** Chlorofluorocarbon (CFC) free.

DOOR CONSTRUCTION

Steel skins are roll-formed into a tongue and groove, then CFC⁶ free urethane insulation is injected, producing a superior weather seal.
